

Don Bosco College of Engineering, Fatorda , Goa

Department of Mechanical Engineering (NBA Accredited)

Major Highlights

- Honors Degree with specialization in **“Smart Manufacturing”**
- **Audit Courses in Maintenance Engineering**, (*a first of its kind course in Goa University*) & **Aurdino/Robotics** designed and delivered by **Industry experts**
- Audit Course in **“Industrial Safety”** in association with FSAI & reputed organizations
- **30+corporate training programs on Pumps, Condition Monitoring, Diesel Generators, First Aid, Industrial automation etc.**
- **3 ISTE approved National Faculty Development Programs**
- **180+ workshops, seminars, webinars & expert talks** for students
- **130+ Industrial/ Field visits**
- **80 Lakhs+ funding received from Industries & Govt. Organisations**
- **2 month industry internship & Industrial safety training**

Softwares

MOUs

Centers of Excellence

- CNC Centre (NSTEDB, DST, Govt. of India, FiiRE & Turbocam International)
- BMW SKILLNEXT Technical training Initiative
- Advanced Welding Centre (Putzmeister Concrete Machines Pvt. Ltd.)
- Research laboratory (Turbocam India Ltd.)
- Skill Development Centre (Pradhan Mantri Kaushal Yojyna)

Professional Chapters

MESH
(Mechanical
Engineering
Students Hub)

MecHEADS

Consultancy Services

Manufacturing

- CNC/ VMC services
- Shaping, Surface Grinding, Carpentry work
- TIG/MIG/ARC/ Welding

Product Design, Prototyping & Automation

- Solid Modeling/Drafting (SOLIDWORKS/AUTOCAD)
- 3 D Printing/Prototyping/ Reverse Engineering
- Jigs & Fixtures Design
- Injection/ Compression/ Blow Mould &BIW fixture design

Testing

- Hardness/ Magnetic Flaw Detection/Dye Penetrant Test/
Compressive & Tensile Testing of MS specimens (No Certification)

NOTE:

- Any specific Consultancy work in Machine/Product Design and development , Thermal Engineering, Automation, Industrial Engineering and CAD/CAM may be undertaken subject to availability of Expertise/Resources.

Contact Details

Prof. Gaurish Samant,
Consultancy Coordinator.
