

MEMORANDUM OF UNDERSTANDING

Don Bosco College of Engineering (DBCE), Fatorda and KALTECH Building Controls Pvt. Ltd. signed a Memorandum of Understanding (MoU) on 23rd July 2025.

KALTECH, a company specializing in Construction and Building Services, has partnered with DBCE to foster academic–industry collaboration. The MoU aims to provide students with industrial internship and project opportunities at KALTECH, facilitate the organization of technical sessions and guest lectures, and create avenues for KALTECH employees to participate in corporate training and skill development programs conducted by DBCE. These initiatives will be carried out on a mutually agreed, need-based framework.

The MoU was formally signed by Ms. Kriti Panwar, Executive Director, KALTECH and Dr. Neena Panandikar, Principal, DBCE, in the presence of Mr. Rakesh Kalla, Director, KALTECH; Mr. Kishan Mangeshkar, Regional Director, KALTECH; Dr. Shwetha Prasanna, Head, Civil Engineering Department, DBCE; and Dr. Suraj Marathe, Head, Mechanical Engineering Department, DBCE.

The MoU coordinators, Mr. Jeffrey Valadares and Dr. Ajit Salunke along with Mr. Sachin Turi were also present during the signing ceremony.
